

case # 08-35653
claim # 3995

7-12-10

To whom it may concern
I Thomas N. Hilson do hereby
request that my claim in the amount
of \$250,000.00 be considered with
out a biased opinion.

I am entitled to this because
of the following reasons. While I was
employed by Circuit City Stores Inc.
I was unfairly discriminated against.
Over the years I was told by my new
supervisors that they were sent there
to terminate my employment with Circuit
City Stores Inc. There was many a time
I had to work without breaks
or lunches. I also had to work under
unsafe conditions. Because of these
conditions I received several injuries.
I have had two surgeries in the past
and will need more surgeries in the
future.

I was discharged by Circuit City
Stores Inc. in Dec. 1999 while I was
on workers compensation with full
and total disabilities until present
day. I was considered to be the books
until Jan 14, 2005. At which time I
began. I turned 62 years old. At which
time I began to receive a monthly check
in the amount of \$287.70.

My normal retirement date should have been Dec 1, 2008 for 20 years of service. My retirement amount should have been approximately \$575.00 a month.

Because Circuit City Stores Inc. filed for bankruptcy my last check from them was in Sept 2009. To sum it all up, I have lost 10 years of employment at a rate of about \$30,000.00 per year for a total of \$300,000.00. Which would have increased my retirement considerably. Not to mention the pain and suffering for the rest of my life.

Please consider with out any bias, and render your decision fairly.

Thank you.

Thomas H. Gilser
